- 17th century Pamphlets in the Augsburg State and City Library. Microfiche edition with PDF-Download Service. 1,888 titles with 78,000 pages on 683 microfiches. The outstanding political-historical authenticity of pamphlets makes them a source of special character and great value for historical research. This is particularly true of the Augsburg holdings. They are restricted to a relatively narrow definition of pamphlet that excludes the entire Reformation literature, as well as the holdings of the later controversial theological and confessional polemical tracts.
